

Registration & Membership Committee  
Annual Report 2017

PAM's Registration & Membership Committee consists of Dr. Bill Davis, Dr. James Ediger, Dr. Lesley Ritchie, Dr. Kent Somers, Dr. Hal Wallbridge, Dr. Graham Watson and myself as Chair. The Registration & Membership Committee meets monthly and reviews new applications as well as requests from existing PAM Members to expand areas of competency. Of particular note, in 2017, Dr. Hal Wallbridge took on the project of compiling answers to "Frequently Asked Questions" by candidates and registrants, which were published in the most recent Manitoba Psychologist (winter 2017).
