

Inquiry Committee
Psychological Association of Manitoba

April 26, 2018

As I have reported previously, the task of the Inquiry Committee is to serve as a three (3) person panel in those instances in which the Complaints Committee recommends charges be laid against a member and that a hearing be held.

During the current reporting period no hearing panels were convened although a hearing has been scheduled for May 7, 2018 to hear a complaint against a registrant.

During this interval of time the Committee lost the services of Dr. George Webster who has retired.

The Committee currently has two (2) unfilled positions and is actively seeking additional members to complete its compliment of lay person and psychologist members.

All of the members of the Inquiry Committee are volunteers and as such freely contribute many hours to the demanding work of participating on panels when asked to do so. On behalf of the Association, I thank each of them for their ongoing and valuable contribution of time, commitment and expertise.

Respectfully submitted,

James H. Newton, Ph.D., C. Psych.
Chair
Inquiry Committee
